The above costs still do NOT reflect the real costs of providing our service. They are subsidised by grants and donations. We are grateful that participants in our activities value us and contribute to our continued existence.

We don't charge the person who provides essential assistance to a disabled person attending a Music Alive event (whether paid staff, family or friend).

Every disabled person who wants to make and appreciate music can do so with Music Alive. No-one should feel excluded on the grounds of cost and bursaries are available if needed. Please contact Val (email: [finance@music-alive.org.uk](mailto:finance@music-alive.org.uk) or call the office) for details.
