

SUMMER HOLIDAY MUSIC SESSIONS FOR ALL ABILITIES

Fun and interactive sessions for all abilities using **singing**, acoustic **instruments** and musical **technology** to make music in small groups. Open to **children and young people aged 11-18 with disabilities**. Friends and family members are also welcome to join in but the session will be designed to benefit the disabled participants most. Sessions will be run by Laura Cook, a **trainee Music Therapist** with experience of working with disabled children.

Donations to support the ongoing work of Music Alive, registered charity number 1093868, to make music accessible to all are much appreciated. Nobody is excluded for financial reasons.
